## Meadowhall Sheffield Sunday Football League

# LEAGUE HANDBOOK

### FOREWORD FROM THE CHAIRMAN

The start of this new season sees the 45th year of the Sheffield & District Sunday League – a milestone that will not go unrecognised at our anniversary annual dinner in November.

During the past years since 1964, there have been many issues and difficulties that the League has had to deal with – none more so than last season when three of our member clubs resigned. This caused tremendous problems at the end of the season affecting the outcome of the league championship – an issue not resolved until after the AGM.

A most unsatisfactory situation caused by clubs failing to fulfil their obligations. However, we must congratulate the success of both Chapeltown Royal Oak and Packhorse Celtic in both league and cup competitions and I trust they will both focus on the year ahead, rather than reflecting on the frustrations we all felt last season.

Hopefully, we can all look forward to the challenges and with 44 teams, the League continues to flourish whilst others, unfortunately fall by the wayside. It was very sad to see the demise of Bradway FC just before the start of the new season. The club have been stalwarts of the League for many years and I do hope that their driving force, Ian Whithorne will not be lost to local football. However, with new clubs and a strong commercial base the League will maintain our ethos of quality football on the field, a high profile off the field and a reputation built up over many years of hard work.

I am very keen that the League continues to develop our long-standing and constructive relationship with the County FA. It is essential that the local football authorities are working positively with senior leagues and I am pleased that with Brian Jones as the new chair of the Sheffield & Hallamshire and with our own Robin Beynon becoming a vice president, that the strength of the partnership can be enhanced.

On the commercial side, it is important that the League maintains its healthy arrangement with **Meadowhall Shopping Centre** and is seen to be developing partnerships with **Kit Locker**, **Pickards.org.uk** and our old friends at **Sheffield United FC**. These are difficult times in business and loyalty is often at a premium, the League is grateful for all their commitment and support.

There will be opportunities for many clubs and individuals to achieve success this season and I wish everyone the very best for the League's 45th anniversary year, don't forget that the League is stronger because of its tradition and history, but we must always look to the future.

**Andrew Denniff**

## **FIXTURES/APPOINTMENTS SECRETARY**

### **STEVE CLARKE**

11 Hollybank Close, Sheffield S12 2BN

Tel: 0114 265 5913 E-mail: saclarke@btinternet.com

He has been involved in amateur football in Sheffield since he was 16, playing as a goalkeeper for more teams than he cares to remember. He has been secretary of the same club, under different names, for twenty plus years. The club folded when he retired.

Steve was a registrar in the old Alliance League and when Don Critchley died he took over as referees and fixtures secretary. He was on the committee, and registrar, of the Regional Alliance League from its inauguration, and he then took over the fixtures and referees secretary's job some two years ago and inputted the Mitoo website for the Regional Alliance and County Senior Leagues. Hopefully he will have it a bit easier in this league! He is, also, for his sins, a Wednesdayite!

He is proud to have been adopted as a Handsworth lad helping to run the Turf Tavern these last ten seasons or more. His other passion is for angling, so summer sees him down on the bank dreaming of the new football season. second season. He later joined the committee of the Alliance League in 1998. After the merger with the Regional he became a Divisional Registrar. Graham's hobbies include Sheffield United, golf and photography.

**ASSISTANT DISCIPLINARY CO-ORDINATOR  
DAN SUH**

43 Plymouth Road, Sheffield, S7 2DE  
Tel: 0114 258 5737 E-mail: sharrowvalefc@yahoo.co.uk

Dan Suh, 33, born and bred as a Londoner, has been working and living in Sheffield with his long-term girlfriend for 3 years. He has played in non-league before injury cut his career short, and became a successful manager in Sunday League in West London. Despite his love for football, Dan is seen travelling around the country on a Saturday afternoon, following Brentford who are, by his own admission, painful to watch.

Dan's ambitions are to see Brentford actually play good football and to open community sport clubs to teach people to realise their potential.

Dan is looking forward to being an asset to the League committee and members clubs by helping improve the image of Sunday football by improving discipline.

The presentation was always held at Crookes W.M.C and arranged by the late Ernest Charlesworth with top artist appearing. During the 1960's I was voted onto the Management Committee and worked with Messrs. Holbrook, Woodhead, Lawton, Waters, Walshaw and the Hogg brothers.

By the 1990's due a lack of teams the Amateur League had to fold and the Competition went into cold storage and was not played for a further 10 years. In the year 2000/01 the competition was resurrected by the Meadowhall Sunday League, and has already raised over £2,000 for the Teenage Cancer Unit at Weston Park. Recent winners are:-

## DO YOU REALISE?

The Sheffield & Hallamshire County Football Association are responsible for the recruitment, training and allocation of referees in our area.

Each week a number of referees are allocated to games in your league by the County Football Association.

**BUT...do you realise this figure is currently only SEVEN and continues to drop each year as referees leave the game?**

The Referees Association help with training, retention and advice for referees...but do you realise what's involved for the referee?

Let's follow the referee through just one appointment...

- The referee gives details, by post, of his/her availability to the County FA, and directly to Senior Leagues...having cleared these with work & the family!
- The referee acknowledges acceptance of the fixture from the league, by post.
- The referee continues to train, attend meetings & seminars.
- The referee continues with work & family life!
- The referee receives ground directions from the home club, and thinks through travel plans.
- The referee prepares the match-day kit...boots and all.
- The referee travels to the ground in enough time to ensure the ground is suitable etc.
- The referee administers any pre-match problems.
- The referee ends the game and heads for home.
- The referee must write out a disciplinary report form, in duplicate, for each caution, each sending off, and every example of misconduct. All reports must show times, names, venue, teams, and describe fully the exact details of the misconduct...and the referee must have it in the post by Monday!

This weekly cycle continues...however, I'd ask you to think about the pressures the referee faces at the ground. Increasing number of very experienced referees are leaving the game, and not being replaced in the same quantity.

**Do you realise** that the vast majority of referees leaving the game are doing so because of pressures placed on them AT THE GAME?

The referee accepts all the extremely time consuming tasks listed above, (some more readily than others,) but all accept the duties.

**Do you realise** that many referees who have decided to 'call it a day' have done so because of... Being physically assaulted at the game.

Being threatened with violence at the game.

Being verbally abused at the game.

Being racially abused at the game.

**What would you do?**

**Do you realise** that these referees speak, just as you do, about their love for the game?

**Do you realise** that the next referee at your game could be one incident away from waving the game goodbye?

**We all have a responsibility to ensure that everyone, at every game, enjoys their football.**

**Sheffield & District Referees Association are committed to helping everyone enjoy the game, and we look forward to working with you all towards this aim.**
